#### REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Vance-Providence Elementary is located in a rural setting in Orangeburg County with 95 percent of the students on free or reduced-price lunch. At Vance-Providence Elementary, we have high expectations for success and set high standards. Our PACT scores showed improvement for students scoring below basic between the spring 2002 and the spring of 2003. Vance-Providence Elementary received a SC Reads grant that provided tutoring for students in grades CD through 3. In addition, Vance-Providence Elementary received a grant from the Orangeburg County Soil and Water conservation commission for a "fence garden."

We offered various programs to promote community involvement. Our lunch buddies program brought in community groups and agencies that provided support and guidance for our students. Our career day gave students the opportunity to observe and ask questions of representatives from various walks of life and to gain a perspective of the types of work they might wish to pursue.

At Vance-Providence Elementary, students were honored for their achievements. For the second consecutive year, a student from Vance-Providence Elementary School was recognized as the fifth grade Lt. Governor's Writing Awards winner for Orangeburg County Consolidated School District #3. Several students were recognized for reading achievement at the district's Accelerated Reader recognition program.

In order to meet the diverse needs of all their students, teachers work diligently to improve their professional skills. Several staff members are working on their master's degrees. Two teachers were selected as Curriculum and Instruction Facilitators (part-time)and one teacher was named as a Math Coach by the South Carolina Department of Education. To ensure the quality of the instructional program, teachers are monitored on a daily basis by the school administration and periodically by members of the District's Teacher Support Team.

Although Vance-Providence Elementary is located in a rural setting, we are blessed with a supportive business community, a committed clergy, and parents who stress the importance of a quality education program. As our motto states, "Vance-Providence Elementary strives for nothing less than our best, no excuses."
